

## ADHD Doxy.me Remote Visit Protocol

Step 1. Make an appointment at our office for a Doxy.me remote visit. (972)-875-6700

Step 2. Download the Doxy.me app on your handheld device or go to the Doxy.me website on your computer and bookmark the page

Step 3. On the day of your appointment go to a local campus clinic, urgent care, minute clinic, PCP or fire station, (if you ask nicely and make a donation) and Have your vital signs done. V/S: Temperature, Pulse, Height, Weight, Blood Pressure and Oxygen saturation. Fax or E-mail them to [familycareclinic@sbcglobal.net](mailto:familycareclinic@sbcglobal.net) or Fax: (972)-875-6790, **before** your appointment.

Step 4. Call our office (972-875-6700) 30 minutes before your appointment and give the girls your information. Be prepared to give payment over the phone with a credit card.

Step 5. Log in to (<https://doxy.me/drlaws>) on your handheld device or computer. The device must have a camera.

Step 6. The nurse will log in and review the vital signs with you and then ask you questions concerning your ADHD. Please look up the **phone number** of the pharmacy you wish to use.

Step 7. Wait for the Doctor.

Prescriptions will be sent electronically to your pharmacy.
